

Topic: Privately Owned Weapons Registration	OPR: Directorate of Emergency Services – (DES) 4403/4404/2707
Reference: NTC Regulation 190-1	
<p>Procedure: To establish procedures for registering weapons and the transportation of individually owned weapons on Fort Irwin</p> <ul style="list-style-type: none">• All privately owned weapons will be registered within three working days after the weapon is introduced on Fort Irwin or when the individual initially in-processes the installation. (See NTC Regulation 190-1)• Military Personnel will report to the Vehicle and Weapons Registration Section at Building #312 with a completed copy of HFL Form 816 (registration of personal firearms) signed by their Unit Commander. Sergeant First Class (E-7) and above are authorized to sign their own HFL 816. Civilians, authorized to reside in on-post residences shall also comply with the registration requirements.• For Single soldiers who reside in barracks, or BEQ/BOQ, the weapon must be secured in their unit arms room. Personnel who reside in government quarters may secure their weapons in their quarters.• In the event of transfer of ownership of the weapon or intra-post movement of the owner, the Vehicle Registration Section will be notified in order to amend the registration data.• Alterations to the name of the manufacturer, serial number, or identification marks are prohibited.• Any weapon not legally obtained through purchase, importation, or received as a bona-fide gift is prohibited.• Incendiary devices, ammunition and/or explosives are prohibited.• All persons out-processing the installation will de-register their weapons, as appropriate, from the installation. <p>•TRANSPORTATION OF PRIVATELY OWNED WEAPONS AND AMMUNITION</p> <ul style="list-style-type: none">• Privately owned weapons and ammunition may only be transported in vehicles while: Traveling to and from an authorized hunting area during hunting season. Enroute to and from authorized target practice and matches. Enroute to and from off post employment. <p>* Ammunition will be separated from the weapons and all weapons will be unloaded during transportation.</p> <p>* Weapons of any kind carried in a vehicle will be secured in the trunk or encased and carried in such a manner that they are not readily available to driver or passenger.</p> <p>* Personnel who transport privately owned weapons from Fort Irwin will comply with applicable federal, state, and local laws pertaining to ownership, possession and/or registration procedures.</p>
